

OISRA Nordic Division Steering Committee ACTION by email vote

February 12, 2018

The OISRA Nordic Division Steering Committee by unanimous email vote decided that for this year's high school state meet the default of using the USSA rule about pole length will be the way to address any pole length issues for the classic race. The USSA rule will be enforced at the state meet ONLY through a protest process.

Nordic Steering Committee Members:

Eric Martin

Gene Hyde

Kelly Crowther

Laurie Martin
