Jury meeting Diamond Lake Guy Mattiotta Classic 5 K

Members Present:

TD Tom Munson, Chief of Race Dan Thorndike, Chief of Course of course Vic Martinez, Coach Charlie Wilshire, Coach Bill Martin

1> Infraction reported by Course monitor #2. "Skier 140 skated on two turns".

Chris Wright and Monitor reported verbally that the skier changed direction by stepping and pushing out of the track to cut to the shortest line around the first and second curves on the course.

Rule IIC states that "Turning techniques comprise steps and pushes in order to change direction. Where there is a set track, turning techniques with pushing are NOT allowed."

Discussion. If there were not a set track at this point the pushing and changing direction would be ok but since there was a track you have to just do a step turn with out the pushing or stay in the track. The track in this case was on the out side of the curve and not best line.

Coach was given an instructional heart felt warning to instruct his races on this technique. All coaches need to remind races on this item
