

## **Volunteer Jobs for Each Team - notes for Jan. 6<sup>th</sup> time trial (updated Jan. 3, 2021)**

### **4 Timing Crew:**

One person on start timing device

Two people on finish timing devices

One bib caller at finish

### **2 Distance Monitors (help remind skiers to keep 6 foot distance and wear masks, except when racing):**

One person at start area and one person at the finish area

**Jan. 6<sup>th</sup> course** has start and finish area in same place. May need only one distance monitor.

### **4-5 Course Monitors (provide safety for skiers on the course – have radios)**

**Jan. 6<sup>th</sup> course** at Meissner has 4 intersections where course has turns.

**Coaches who are floating to help with racers' questions, etc. and direct the event for their team.**

**1 coach or volunteer coordinator who will keep track of which coaches and volunteers are present and will fill in the Google Sheet documenting those coaches and volunteers who were present.**
