

Tigard, Newberg, Tualatin (TNT) High School Ski Team Policies and Rules

(1) ELIGIBILITY FOR PARTICIPATION on the TNT High School Ski Teams follow requirements for High School Varsity sports and OISRA requirements. Athletes must comply with all eligibility requirements including:

- i) Current physical exam and clearance form on file with school
- ii) Registration with OISRA
- iii) Maintain academic eligibility per OSAA rules
- iv) Attend all mandated training sessions, meetings and race events unless excused by Head Coach
- v) Compliance with all team rules

(2) ON-MOUNTAIN TRAINING, TEAM MEETINGS and RACE EVENTS

It is recognized that there may be circumstances where it is not possible for an athlete to attend a mandated activity. The following regulations will apply under those circumstances.

(2a) EXCUSED ABSENCES must be verified with a phone call to the Head Coach one day in advance of an absence as set out below. Failure to request that the absence be considered as "excused" prior to one day will constitute an unexcused absence.

*The Head Coach may accept a request by parental telephone call if the one-day period is not able to be adhered to.

- i) A physical injury that renders the athlete incapable of participating in any training. Racer or parent must call the Head Coach immediately
- ii) A verifiable absence from school for a school activity
- iii) If an athlete has a conflict with another sport or a recognized High School activity** that cannot be accommodated within the present exemptions, it is the **athlete's responsibility** to draw this to the attention of the Head Coach, as soon as possible so that the situation can be discussed between the parties involved

(2b) UNEXCUSED ABSENCES Athletes will be allowed:

- (i) **Two (2) unexcused absences** from mandated training sessions and/or races during the season which commences the 1st week in December
- (ii) **3rd unexcused absence**; at the next race the athlete will be seeded at the end of JV
- (iii) **4th unexcused absence**; the athlete will be suspended from competing at next race, but will attend the race meeting and train or assist at the instruction of the Head Coach
- (iv) **5th unexcused absence**; the athlete will be dismissed from the team

(3) DRY LAND TRAINING

Athletes must participate in physical conditioning prior to and during the race season to ensure they are physically fit and ready for commencement of On-Mountain Training and Metro League Racing. Racer physical fitness is a significant factor known to reduce risk of skiing injuries. Therefore, participation in Dry land training is mandatory. Dry land training begins the 1st week following opening of OISRA registration and will continue through the final week of league racing. Athletes **MUST** be registered with OISRA to participate without exception. Dry land training is typically held three nights per week. One night per week is mandatory, two or three nights per week is strongly encouraged by the coaching staff. Consequences for failing to attend dry land training are at the sole discretion of the coaching staff and may include higher race seed number or league race disqualifications. It is the athlete's responsibility to pre-arrange accommodation for dry land training alternatives if necessary.

(4) RACING and Varsity/JV Team Assignment

Racers are seeded as Varsity (5 racers), Varsity Alternate (1 racer), JV (remaining racers). Seeding is completed each Thursday prior to race day. Seeding is based on several factors including past race times for discipline (Slalom or GS). The Head Coach will seed the team to generate the lowest possible expected combined team times. Racers demonstrating week-over-week improvement may be seeded higher than racers with more points. Racers also move between Varsity and JV week to week depending on performance.
