

La Pine High School Nordic Ski Team Rules

Attendance: Students are expected to attend all dry-land and on-snow practices. If students are unable to attend they must communicate with their coach prior to the absence.

Code of Conduct: Any student who participates in school-sponsored athletics or activities must agree to abide by the School District Board Policies, Administrative Rules, Code Of Conduct, building rules and team participation/training regulations. All students who participate in athletics and extracurricular activities are expected to be positive role models for other students and members of the community at all times.

Academic Eligibility: Student/athletes must be enrolled in, and passing, four full classes to be eligible for sports. This includes the semester that you are participating in a sport, and also the semester prior to your sports season. Students must also have a 2.0 GPA and be on track to graduate.

Physicals: Students who participate in extracurricular sports must complete a physical exam in grades 9, and 11 or if this is their first time participating with a Bend-La Pine Schools team. All physicals need to be completed prior to the sports season and not before May 1 of the summer before the current academic year.

More information regarding athletic eligibility can be found on our school district website.
