OISRA POLICIES

1. Policy on Election of the Board of Directors

1.1. Overview of the Election Process

In compliance with the OISRA bylaws, nominees for the Board of Directors are elected by the voting members using written ballots prior to the Annual Meeting held in the spring each year. The Board may consist of between 5 and 11 members. At least 60% must be affiliated with the Alpine Division and at least 2 directors must be affiliated with the Nordic Division. Each division elects its affiliated members. Voting members cast their votes via ballot and the results are announced at the annual meeting or within 10 days thereafter. This policy provides the specific process used for nomination, voting and announcement.

1.2. Nomination of Candidates for the Board of Directors

- 1.2.1. Nominations of candidates for the Board of Directors may be made by any voting member, committee member, director or officer.
- 1.2.2. In compliance with Article V. Section 3 of the bylaws, nominees for Board of Directors must be affiliated or involved with a division, a league or a team, as a coach, advisor, parent, director, officer or representative.
- 1.2.3. A call for nominations will be sent by the Executive Director to voting members no less than **28** days prior to the annual meeting. The call for nominations may be sent by mail, email or any other means that the Board of Directors reasonably feels will reach all voting members. Email will be used in most cases. The call for nominations must include the deadline for submissions.
- 1.2.4. Nominations must be made in writing and contain the name, telephone number and email address of nominee. All nominations must be received by the Executive Director **14** days prior to the annual meeting. After the deadline for submissions as has passed, the Executive Director will contact each nominee to confirm whether that person consents to be a nominee and, if elected, serve as a member of the Board of Directors. No nominee will be included on the ballot without his or her written consent to be a nominee.

1.3. Election by Ballot

- 1.3.1. Nominees will be voted on by written ballot as provided for in the bylaws, unless the Board expressly approves another legal method prior to delivery of ballots.
- 1.3.2. Ballots will be delivered by email or mail to each voting member no less than 15 day prior to the annual meeting.
- 1.3.3. The ballot shall include
 - 1.3.3.1. The number of open positions
 - 1.3.3.2. First and last names of all confirmed nominees,
 - 1.3.3.3. The number of responses needed to meet quorum requirements: 50% plus one of the then current number of voting members.
 - 1.3.3.4. The percentage of approvals necessary to approve each matter other than election of directors which requires a simple majority of those voting.
 - 1.3.3.5. Instructions for delivery of completed ballots, which may include email, mail, fax or hand-delivery at the annual meeting.

1.4. Tabulation of Votes

- 1.4.1. Votes shall be counted by the Executive Director and the verified by the current Board president. If any discrepancies are discovered, the Executive Director and Board President shall investigate with the goal of ensuring that each voting member's votes are accurately obtained and counted. Ballots delivered prior to the annual meeting may be counted prior to the meeting and those delivered at the annual meeting will be added to the totals. In the event

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION POLICIES

of any dispute, the President of the Board may appoint a committee of disinterested Board members to review the votes, verify the count and conduct any investigations necessary.

1.5. Processing Ties

- 1.5.1. In the event of a tied vote, the candidates with the tied vote will first be asked if one wants to withdraw;
- 1.5.2. If neither candidate want to withdraw, then the vote is announced as a tied vote and the members are asked to vote for one of the two candidates who have a tied vote;
- 1.5.3. If the tie-breaking vote comes in as a tie, then the current board president shall toss a coin to determine which one will be the board member.

1.6. Announcement of Results

- 1.6.1. The results of the vote for nominees to the Board of Directors will be announced at the annual meeting by the President of the Board or the person chairing the meeting if the President is not available. If the Board of Directors feels that announcement at some other time is reasonably in the best interests of the organization, the Board may designate and publicize the new announcement date to the members. The new announcement date may not be more than 10 calendar days following the annual meeting.

6.7.2.1.2. Return to Participation. Until a skier who has suffered a concussion is no longer experiencing signs, symptoms, or behaviors consistent with a concussion, and a medical release form signed by an appropriate Health Care Professional (Physician (MD), Physician's Assistant (PA), Doctor of Osteopathic (DO) licensed by the Oregon State Board of Medicine, nurse practitioner licensed by the Oregon State Board of Nursing, or Psychologist licensed by the Oregon Board of Psychologist Examiners) is obtained, the skier shall not be permitted to return to athletic activity. ***A student on an OISRA ski team MUST use OSAA's "Return to Participation Medical Release" if the school does not have a form and procedure in place for monitoring a skier's return to participation.***

6.7.2.1.3. Private Schools Only: On an annual basis prior to participation, each student who attends a private school and at least one parent or legal guardian of the student will acknowledge they have received information regarding symptoms and warning signs of concussions. (Fact Sheet for Parents) To facilitate this requirement, a "Fact Sheet for Parents" will be included in the on line registration form for all students.

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION POLICIES

6.7.2.2. Technical Delegate's Responsibilities

6.7.2.2.1. A Technical Delegate shall remove a skier from a competition when that player exhibits signs, symptoms or behaviors consistent with a concussion due to an observed or suspected blow to the head or body. The technical delegate is not responsible for evaluation or management of the player after he/she is removed from the race. The technical delegate does not need written permission for a player to return nor does the technical delegate need to verify the credentials of the appropriate health care professional who has cleared the skier to return. The responsibility of further evaluating and managing the symptomatic player falls upon the appropriate health care professionals and the Head Coach.

6.8. Behavior of Coaches: Coaches shall exemplify sportsmanlike and mature behavior as described in the Coaches' Code of Ethics (Appendix A) and use "Good Practices" as defined in the OISRA Abuse/Molestation Guidelines (Policy #21).

An "OISRA activity" includes, but is not limited to, practices, competitions, travel with athletes, meetings, and any time a coach is acting in their role as coach or chaperone with OISRA students. "Under the influence" means impaired to a noticeable degree by a reasonable person.

6.8.2. A coach shall not engage in unsportsmanlike conduct at an OISRA activity. "Unsportsmanlike conduct" includes, but is not limited to, unwarranted physical contact, profane language, and/or taunting.

6.8.3. A coach shall not engage in any action which gives rise to a concern for the safety of the students due to the coach's conduct, indicates that the coach cannot objectively perform the coach's duties, or otherwise is inconsistent with the Coaches' Code of Ethics, the OISRA's policies and regulations, and the "Good Practices" defined in the OISRA Abuse/Molestation Guidelines.

7. Indemnity and Accident Insurance for OISRA

OSAA Rule 8.1 (Academic Eligibility),
OSAA Rule 8.2 (Duration of Eligibility – Graduation),
OSAA Rule 8.3 (Age),
OSAA Rule 8-6 (Transfer),
OSAA Rule 8.7 (Undue Influence),
OSAA Rule 8.8 (Misrepresentation),
OSAA Rule 8.9 (Hardship).

NOTE: OSAA Rules 8.4 (Awards) and 8.5 (School Representation) have been replaced by OISRA Rule 10.6 (Awards) and 10.7 (School Representation). OSAA Rules 8.4 and 8.5 DO NOT APPLY to student eligibility for OISRA.

10.2. The OISRA applies the following adaptations to OSAA Rules 8.1, 8.2, 8.3, 8.6, 8.7, 8.8, and 8.9:

10.2.1. Throughout OSAA Rule 8, substitute “OISRA” wherever “OSAA” is written.

10.2.2. To enable OISRA to confirm academic eligibility (OSAA Rule 8.1), parents/guardians must submit a Federal Education Rights and Privacy Act (FERPA) “Parental Consent to Release Educational Records” form to the school so that the school can release academic eligibility information to OISRA.

10.2.3. After notification to an athlete’s coach by the OISRA Executive Director that a team’s athlete has failed to meet Academic Certification, as defined in OSAA Rule 8.1, the athlete has six (6) days in which to submit a “Request for Hardship Application”. Exception: if the Executive Director receives notice of failure on the last certification of the season, the deadline the ED gives for a “Request for Hardship Application” will be based on the available time before the State Race enrollments must be submitted and may be less than six (6) days.

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION POLICIES

10.2.4. The Executive Director will process Requests for Hardship Applications within 5 business days

10.3. Adaptations of OSAA Rules that apply to Hardship Requests

10.3.1. Considerations of exceptions to OSAA Rule 8.2 (Duration of Eligibility-Graduation) or OSAA Rule 8.3 (Age) require a written request be made to the OISRA Executive Director. The Executive Director's declaration of eligibility is subject to the OSAA conditions listed in the OSAA Hardship Appeals Procedures for each rule.

10.3.2. The OISRA Executive Director, in individual cases may, at his/her discretion, and upon terms and conditions as he/she may impose, waive or modify any OISRA Individual Eligibility rule except fifth year (OSAA Rule 8.2), and age (OSAA Rule 8.3), when in his/her opinion there are circumstances beyond the control of both the student and the student's parent(s) or other circumstances whereby enforcement of the rule would work an undue hardship upon the student. A decision by the OISRA Executive Director may be appealed to the OISRA Board of Directors. A decision of the OISRA Board may be appealed to a Hearings Officer.

10.4. Adaptations of OSAA Rule 8.6 (Transfers)

10.4.1. In OSAA's Rule 8.6 (Transfers), OSAA defines circumstances under which a student may not transfer to a school with "affiliation." (OSAA Rule 8.6.5) Replace the OSAA words "non-school athletics" with the OISRA words "non-OISRA athletics," wherever OSAA uses the term "non-school athletics" in rules related to this restriction.

10.4.2. In connection with any student who has transferred and is eligible under the OSAA rules, the student shall complete an OISRA Eligible Student Transfer Certificate, properly signed by the superintendent, assistant superintendent, or principal of the high school the student enters, and shall file it with the OISRA Executive Director.

10.4.3. A written request, with the approval of the school's athletic director, must be made to the OISRA Executive Director for his consideration of any waiver or modification of OSAA Rule 8.6 (Transfers). The OISRA Executive Director's declaration of eligibility is subject to eligibility considerations that the OSAA Rule 8.6 requires the OSAA District Committee and OSAA Executive Director to consider and the conditions listed in the OSAA Hardship Appeals Procedure for OSAA Rule 8.6. A decision of the OISRA Executive Director may be appealed to the OISRA Board of Directors. A decision of the OISRA Board may be appealed to a Hearings Officer.

10.5. Other OISRA adaptations of OSAA rules

10.5.1. Despite compliance with the other provisions of OSAA and OISRA Eligibility Rules, any student who attends a high school as a result of undue influence, as defined by OSAA Rule 8.7, is thereafter ineligible. Misrepresentation, such as defined by OSAA Rule 8.8, shall make a student ineligible for the remainder of that sport season and for any additional period of time determined by the OISRA Board of Directors.

10.5.2. OISRA adopts all of the OSAA requirements for eligibility of a foreign student [OSAA Rule 8.6.3 (c)], with the exception of the OSAA restriction stating that the host family cannot be "a member (paid or voluntary) of the school's athletic department nor coach/director of the non-athletic activity." OISRA allows a host family to be an OISRA coach or assistant coach or affiliated with the school's athletic department.

Note:

Q. How does legal guardianship apply to OISRA eligibility?

Historically, guardianships have frequently been used to attempt to avoid the fundamental rule of the OSAA that a student attend school only in the district in which the student's parents reside. Consequently, the appointment of a legal guardian alone is not recognized by OSAA or OISRA as an exception to the fundamental rule. If a student resides with anyone other than the student's parents, and eligibility is sought in any district other than the one in which the student's parents

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION POLICIES

reside, the designated head coach must apply for eligibility for the student by submitting an Eligibility Request Form to the OISRA Division Steering committee, setting forth the circumstances justifying a hardship exception to the fundamental rule. Under no circumstances will the appointment of a guardian be tolerated as a device to circumvent the eligibility rules of the OISRA.

10.6. Amateur & Awards: A student who skis on an OISRA team shall be an amateur in ski racing. An amateur is one who engages in athletic competition solely for the physical, mental, social and pleasure benefits derived therefrom. The general rule is that a student becomes ineligible for one calendar year after the date of the report of the violation to the OISRA if at any time during the Participatory Season the student accepts any compensation or thing of value for or in recognition of skiing abilities.

10.6.1. As EXCEPTIONS to the general rule, the OISRA Board of Directors has determined that the following are acceptable:

10.6.1.1. Collegiate scholarships are acceptable awards.

10.6.1.2. Compensation for giving group or private lessons is permissible.

10.6.1.3. All awards or compensations received during OISRA sponsored competitions are acceptable.

10.6.1.4. All awards or compensations received during citizen's events or USSA or USASA sponsored competitions are acceptable.

NOTE: Collegiate institutions have eligibility rules that differ from this rule. Some collegiate eligibility rules prohibit a present or POTENTIAL athlete from accepting such cash prizes as are legal under USSA rules.

10.6.2. Receiving discounted equipment is acceptable;

10.6.2.1. If the same discount is available to all ski racers on the same OISRA team, OR

10.6.2.2. If it is an award as a result of a USSA, OISRA, USASA, or citizen's competition.

10.6.3. Receiving discounted equipment is not allowed if it is based on achievement during the Association year at an event that is not a citizen's race, or a USSA, USASA, or an OISRA competition.

10.6.4. Monetary awards based wholly or in part on athletic achievement demonstrated in OISRA, USSA, or USASA competitions are acceptable ONLY if the two (2) following conditions are met:

10.6.4.1. The awards are deposited in a USSA ski club account and are used to offset direct and necessary expenses for participation (including mileage where the student must drive), and where participation requires absence from home, may accept necessary meals and lodging, AND;

10.6.4.2. Such awards are reported to the OISRA Executive Director upon receipt, and an accounting for the expenditure of the award is submitted to the OISRA Executive Director at the end of the participation season.

NOTE: Collegiate institutions have eligibility rules which differ from this rule. Reimbursement for some types of training and competition expenses is not acceptable under NCAA rules.

10.6.5. It is the responsibility of the student and parents to become fully informed about collegiate eligibility rules. The most important collegiate eligibility rules are the required core curriculum classes. Compliance with OISRA amateurism rules does NOT mean that collegiate eligibility rules are satisfied. For more information on NCAA eligibility and requirements, contact any college coach, the NCAA rules compliance officer at most colleges and universities or call the NCAA Eligibility Hotline at 800.638.3731. For information about USCSA eligibility, contact the USCSA at uscsa@uscsa.com

10.7. School Representation

10.7.1. A student who competes in OISRA activities representing a school other than the one in which the student has been enrolled becomes ineligible for that sport for the remainder of its season.

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION POLICIES

10.7.2. If a student is not given permission by the school to use the school name for the team, that student may compete on a team that is organized within a community club that separates students into teams comprised of students enrolled at the same school.

10.7.3. **EXCEPTION:** A home schooled student who meets the eligibility standards established by Oregon law [**ORS 339.030, ORS 339.035, ORS 339.460**] may represent a public or private school located within the public school attendance boundaries of Joint Residence of the student and student's parents provided that the home school student was enrolled in the home school prior to the first day of school for the public/private school. **See OSAA Executive Board Policy 27**, "Eligibility-Home Schooled Students" for additional information. Once a home school student represents a school, that home school student may not represent another school for one calendar year after last representing the original school without a change in Joint Residence. If a home schooled student is affiliated with a school that does not allow the use of the school name in OISRA activities, then the student may compete on a community club team that designates their teams based on the school the student is enrolled in.

10.8. Student Behavior Standards:

10.8.1. It is expected that students will not be in possession of or under the influence of controlled substances (including tobacco products) at any time during OISRA activities, including the night after the State Meet event. Students are expected to demonstrate sportsmanlike behavior and refrain from using profanity.

10.8.2. If mandated by the school a student attends, a student will additionally be held to the same behavior standards as are outlined in the Policies and Regulations of their school district and they will adhere to the disciplinary consequences dictated by the school they represent.

10.9. Physicals for Athletes: OISRA adheres to Oregon State Law (ORS 336.479) by requiring all OISRA participants in grades 9-12 to get a physical exam every 2 years, using the OSAA approved form: [School Sports Physical Form](#)

10.10. Processing Hardship Requests

10.10.1. All Hardship Requests, including; transfer ineligibility due to the 50% participation rule, grade deficiency only, fifth year, age, non-CSIET foreign students, alleged Undue influence, satisfactory progress toward graduation, and alleged misrepresentation may file a Written Hardship Request with the OISRA Executive Director.

10.10.2. The request to the Executive Director will be Approved (athlete Eligible) or Denied (athlete Ineligible). Should the request be denied, the hardship request may be appealed to the OISRA Board of Directors.

10.10.3. The Appeal to the Board of Directors will be Approved (athlete Eligible) or Denied (athlete Ineligible). Should the request be denied, the hardship request may be appealed to a Hearings Officer.

21. OISRA Abuse & Molestation

21.1. OISRA does not tolerate abuse or molestation in any form by any individual. Please refer to the OISRA Abuse & Molestation Guidelines; Appendix B.

22. Reporting of Abuse

22.1. Mandatory Reporting for Certified Coaches

- 22.1.1. All OISRA Certified Coaches are required to report child abuse if they have reasonable cause to suspect child abuse.
- 22.1.1.1. See OISRA Appendix B for definitions of child abuse: neglect, physical, emotional, and sexual abuse.
- 22.1.1.2. OISRA Certified Coaches must watch their students for changes in behavior, notice physical symptoms and signs, and notice signs of bullying, which may include a drop in performance, behavioral changes, mood swings, reluctance to train/compete, frequent loss of possessions, physical injuries (bruising, scratches, etc), poor sleep, loss of appetite/weight
- 22.1.1.3. OISRA Certified Coaches must also report suspected abuse regardless of whether or not the knowledge of the abuse was gained in the coach's official capacity as an OISRA coach. In other words, mandatory reporting of abuse of children is a 24-hour obligation.
- 22.1.2. If OISRA Certified Coaches notice signs of abuse, they are obligated to follow the process defined in ORS 419 B.015
- 22.1.2.1. They must immediately make a phone call to the Department of Human Services (Child Protection Agency) or law enforcement (police, county sheriffs' offices, Oregon State Police) – not required to call both.
- 22.1.2.2. The oral report shall contain, if known, the names and addresses of the child and the parents of the child or other persons responsible for care of the child, the child's age, the nature and extent of the abuse, including any evidence of previous abuse, the explanation given for the abuse and any other information that the person making the report believes might be helpful in establishing the cause of the abuse and the identity of the perpetrator.
- 22.1.2.3. If someone is being hurt or is in danger, call 911 immediately.
- 22.1.2.4. A link to phone numbers for reporting in Oregon is posted on the OISRA website homepage.
- 22.1.3. Some schools have an internal protocol for volunteers to report abuse to an administrator at school, and it is advisable to follow that protocol. However, making a report to the school does not relieve the Certified Coach from the obligation of the OISRA Policy to report by making a phone call to the DHS or law enforcement.
- 22.1.4. If the person suspected of abusing a child is an OISRA coach, league rep, race official, or anyone associated with OISRA, OISRA has an internal protocol for reporting these abuse incidents to the Executive Director (Policy #24). However making a report to the OSIRA Executive Director does not relieve the Certified Coach from the obligation of the OISRA Policy to report by making a phone call to the DHS or law enforcement.
- 22.1.5. It is advisable for the Certified Coach to make written notes for their own record-keeping in case they are asked to remember what they said in the oral report.
- 22.1.6. If an OISRA Certified Coach is paid by a school for coaching a ski team, they have the obligation as a paid school coach to report abuse as a "mandatory reporter" through the Oregon Department of Human Services or law enforcement agencies. This OISRA Certified Coach is not required to make a second report about the same incident of abuse to these same agencies but is required to make a second report if the OISRA Certified Coach believes any subsequent incident of abuse has occurred.

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION POLICIES

22.1.7. If an OISRA Certified Coach is also a USSA coach, they have the obligation to report abuse through the United States Center for Safe Sport Authorization. This USSA Coach is required to make a second report about the same observed abuse through the Oregon Department of Human Services or law enforcement agencies.

22.2. Instructions for Helper Coaches

22.2.1. All OISRA Helper Coaches are required to verbally report suspected child abuse to the coach who is supervising them.

22.2.2. It is optional if a Helper Coach wants to also report to Oregon Department of Human Services or law enforcement agencies if they have reasonable cause to suspect child abuse.

22.2.3. If the person the Helper Coach suspects of abusing a child is an OISRA coach, league rep, race official, or anyone associated with OISRA, OISRA has an internal protocol for a Helper Coach to report these incidents to the Executive Director (Policy #24).

23. Anti-Hazing Policy

23.1. Hazing is willful conduct directed at a student that is intended to physically or emotionally intimidate, punish, embarrass, humiliate, ridicule or place any student in a disconcerting position for the purpose of initiation, affiliation, inclusion or membership in any team or organization.

23.2. The OISRA believes that hazing has no place in a youth activity program and poses a significant risk to the physical and mental welfare of students. Hazing obstructs the development of good citizens, escalates the risks of participation, negates positive contributions and destroys respect for self, others and the environment. Students participating in youth activity programs have a right to be safe and free from hazing.

23.3. All OISRA coaches are required to complete the “SafeSchools” Anti-Hazing training course and must take an active role in the prevention of all forms of hazing by adopting and enforcing strict anti-hazing rules for their teams.

23.4. OISRA prohibits hazing and any student, parent, community member, or coach is encouraged to report incidents of hazing according to procedures described in OISRA Policy #24.

23.5. Oregon Law (ORS 163.197) describes what the legal violation is when an organization or a member of an organization commits the offense of hazing and defines the legal punishment for these types of violations. OISRA policy #25 describes the OISRA penalties for hazing.

24. Reporting Violations of “Good Practice,” Reporting Abuse, and Anti-Hazing

24.1. In addition to any coach, league rep, or race official, any student, parent, or community member may report incidents of suspected violations of “Good Practice” as outlined in “OISRA Abuse/Molestation Guidelines, and/or violations of the OISRA Policy for Reporting Abuse, and/or violations of the OISRA anti-hazing policy if such incident involves a coach, league rep, race official, or anyone associated with OISRA. All such reports must be submitted in writing and shall indicate the suspected violator and suspected victim. All such reports shall be submitted directly to the Executive Director without delay after the alleged violation has occurred. Any and all such reports shall be handled with the utmost confidence and the identity of any reporter shall be withheld and kept anonymous.

24.1.1. A report to the OISRA Executive Director, pursuant to Section 24.1, shall not relieve an OISRA Certified Coach from their mandatory reporting duty as set forth in Policy #22, which requires all OISRA Certified Coaches to report child abuse to the Oregon Department of Human Services or law enforcement agencies if they have reasonable cause to suspect child abuse.

24.2. Upon receiving a report of suspected violations of “Good Practice” as outlined in “OISRA Abuse/Molestation Guidelines, and/or violations of the OISRA Policy for Reporting Abuse, and/or

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION POLICIES

violations of the OISRA anti-hazing policy the Executive Director shall determine if such incident constitutes a violation of criminal law (engaging the services of a competent attorney if necessary to make such determination) or a non-criminal violation of OISRA policies.

- 24.3.** If a report is determined to constitute a violation of criminal law, the Executive Director will promptly report the incident to the appropriate law enforcement officials. Upon reporting the incident to law enforcement officials, the Executive Director will take no action unless lawfully directed to do so by law enforcement officials. Notwithstanding the foregoing, the Executive Director shall immediately hire a competent criminal defense attorney to represent OISRA and will take and maintain notes and files on all interagency communications and actions in connection with the incident and which occur thereafter.
- 24.3.1. It shall be a violation of this policy, and subject to the penalties of Policy 25, if any coach, league rep, race official, or anyone associated with OISRA fails to cooperate in any manner with law enforcement officials in connection with a reported incident hereunder.
- 24.3.2. Upon the conclusion of any investigation, court proceeding, or other law enforcement action, OISRA shall conduct its own investigation, truncated or otherwise. The Executive Director shall notify the accused coach, officer, or paid race official of the reported complaint, and after such further investigation as the Executive Director deems necessary, shall either make a ruling on the complaint or refer it to a three-member disciplinary panel, selected by the OISRA Board, who shall further investigate the complaint. This panel shall not include the Executive, Director, Registrar, or OISRA Board members, but may include the league representative for the coach.
- 24.4.** If a report received by the Executive Director is determined to constitute a non-criminal violation of OISRA policies "Good Practice" as outlined in "OISRA Abuse/Molestation Guidelines" and/or a violation of OISRA Policy for Reporting Abuse, penalties shall be imposed in accordance with Policy 25.
- 24.5.** During any OISRA investigation, and even after the matter is final, the following behavior may be considered misconduct and subject to the penalties of Policy 25:
- 24.5.1. Abuse of Process: Direct or indirect abuse of or interference with OISRA investigations by (a) falsifying, distorting, or misrepresenting information; (b) destroying or concealing information prior to or during an investigation; (c) attempting to discourage an individual's proper participation in or use of OISRA's investigation; (d) harassing or intimidating (verbally or physically) any person involved in OISRA's investigation before, during, and/or after an investigation; (e) publicly disclosing a reporting party's identifying information; (f) failing to comply with Section 24.1's suspension and banishment; or (g) influencing or attempting to influence another person to commit abuse of process.

- 24.5.3. Intentionally Making a False Report: Any reporter who is found to have made a false report intentionally, knowingly, or maliciously without regard for truth.
- 24.6.** Materials created or produced in any OISRA investigation in accordance with this Policy # 24 shall be marked and kept confidential on a need to know basis only, shall not be disclosed outside of such investigations or proceedings, and shall only be disclosed as required by law.

25. Penalties for Violations of "Good Practice," Reporting Abuse, and Anti-Hazing.

- 25.1.** Upon the Executive Director receiving a report of an incident of a suspected violation of "Good Practice" as outlined in "OISRA Abuse/Molestation Guidelines," and/or violations of the OISRA Policy for Reporting Abuse, and/or violations of anti-hazing policy, involving a coach, league rep, race official, or anyone associated with OISRA, the suspected coach, league rep, race official, or person associated with OISRA shall be immediately suspended and banned from all OISRA facilities and events until conclusion of an appropriate investigation and imposition of a penalty, if any.

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION POLICIES

25.1.1. If a matter is criminal in nature, the suspension and banishment of Section 25.1 shall continue through any investigation, court proceeding, or other law enforcement action.

25.2. Any judgment or ruling, in court or otherwise, against a coach, league rep, race official, or person associated with OISRA shall be conclusive evidence of the coach, league rep, race official, or person associated with OISRA's violation of OISRA policies. Notwithstanding the foregoing, a dismissal of any investigation, court proceeding, or other law enforcement action that does not result in a judgment or ruling against the suspected coach, league rep, race official, or person associated with OISRA, shall not operate as conclusive evidence of such person's innocence in relation to a violation of OISRA's policies, and OISRA reserves the right to impose any penalty it deems fit pursuant to this Policy 25.

25.3. Upon a ruling by the Executive Director or the three-member disciplinary panel, or the OISRA Board, the OISRA Board may impose any form of penalty set forth in this Policy 25 that the OISRA Board finds appropriate to deter such conduct and assure fair treatment, protection, and favorable conditions for all coaches, league reps, race officials, students, and/or persons associated with OISRA. All penalties imposed hereunder shall be imposed solely against the accused individual.

25.4. An accused individual under Policy 25 may be subject to the following penalties, which may be imposed singularly or in conjunction:

25.4.1. Indefinite or permanent suspension;

25.4.2. Probation for a period of time as determined by the OISRA Board;

25.4.3. Fines in an amount as the OISRA Board may determine;

25.4.4. Public reprimand by statement issued by the OISRA Board;

26. Whistleblower and Non-Retaliation Policy

26.1. General. As employees and representatives of Oregon Interscholastic Ski Racing Association, we must practice honesty and integrity in fulfilling our responsibilities and comply with all applicable laws and regulations.

26.1.1. In addition to the requirements of this policy, all employees and representatives are encouraged to call attention to, in a positive and non confrontational manner, practices or specific actions which do not reflect the high ethical standards of Oregon Interscholastic Ski Racing Association.

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION POLICIES

- 26.2. Reporting Responsibility.** It is the responsibility of all directors, officers, employees, and volunteers to comply with and to report violations or suspected violations of any local, state or federal laws or regulations.
- 26.3. No Retaliation.** No director, officer, employee, volunteer, or contractor who in good faith reports a violation or suspected violation of any local, state or federal laws or regulations shall suffer harassment, retaliation or adverse employment consequence. An employee who retaliates against someone who has reported a violation in good faith is subject to discipline up to and including termination of employment. This Whistleblower Policy is intended to encourage and enable employees and others to raise serious concerns within Oregon Interscholastic Ski Racing Association prior to seeking resolution outside of Oregon Interscholastic Ski Racing Association.
- 26.3.1. Retaliation includes any harmful action, interference with the lawful employment or livelihood, discharge, demotion, suspension, any manner of discrimination with regard to promotion, compensation or other terms, conditions or privileges of employment.
- 26.4. Reporting Violations.** Directors, officers, employees, and volunteers should share their questions, concerns, suggestions or complaints with someone who can address them properly. Therefore, reports of violations or suspected violations of any local, state or federal laws or regulations should be made to the most appropriate person within Oregon Interscholastic Ski Racing Association's organizational hierarchy including the Board of Directors.
- 26.4.1. Additional reports to that person or any other person should generally not be made unless the reporter reasonably believes that the process for investigation and response provided in Section 26.5 is not being followed.
- 26.4.2. A sample list of appropriate persons to report to is provided below. When in doubt, reports should be made to the Executive Director or President of the Board of Directors.

- 26.5.2. If it is not appropriate to contact the Executive Director or Board President because he or she is involved in the violation and is therefore not likely able to handle the investigation objectively, the remaining impartial Officers of the Board will be notified and will proceed with this process in place of the Board President and/or Executive Director.
- 26.5.3. The Board President and Executive Director will notify the reporter and acknowledge receipt of the report within 5 business days if possible.

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION POLICIES

26.5.4. The Board President and Executive Director will convene a meeting of the Officers to determine the proper course of investigation. The Officers may delegate the investigation to an appropriate standing or ad hoc committee including the audit or finance committee.

26.6. Acting in Good Faith. Any good faith report, concern or complaint is fully protected by this policy, even if the report, question or concern is, after investigation, not substantiated. Anyone filing a complaint concerning a violation or suspected violation must be acting in good faith and have reasonable grounds for believing the information disclosed indicates a violation of local, state or federal law or regulation.

26.6.1. The act of making allegations that prove to be unsubstantiated and that prove to have been made maliciously, recklessly, or with the knowledge that the allegations are false, will be viewed as a serious disciplinary offense and may result in discipline, up to and including dismissal from the volunteer position or termination of employment. Such conduct may also give rise to other actions, including civil lawsuits.

26.7. Confidentiality. Upon the request of the complainant, Oregon Interscholastic Ski Racing Association will use its best efforts to protect the confidentiality of the complainant for any good faith report. Violations or suspected violations may be submitted on a confidential basis by the complainant or may be submitted anonymously. Reports of violations or suspected violations will be kept confidential to the extent possible, consistent with the need to conduct an adequate investigation.

27. Lines of Communication:

27.1. Communication procedures should be as follows:

27.1.1. Racer and parent concerns should first be addressed to their respective coaches.

27.1.2. Coach's concerns should first be addressed by the League Representative.

27.1.3. League Representatives should communicate concerns to their respective Steering committee.

28. Releasing of Student Identification Information Gathered by the OISRA

28.1. State and Federal law requires that student information considered to be "Education Records" be confidential. The information that the OISRA, or any agent or agency of OISRA (including all teams, leagues, committees, directors, officers, staff, volunteers, and committee members) request, and become holders of, contains such "confidential" information. OISRA and all agents and agencies of OISRA shall permanently hold all confidential information in strict confidence in perpetuity unless

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION POLICIES

such information is essential for OISRA or OISRA's agents or agencies to properly and efficiently perform OISRA's duties, or disclosure is required to meet a legal requirement.

- 28.2.** All coaches and parent representatives are required to make certain that only the team name, the members names, their gender and age, are on any rosters provided to ski areas and other organizations commercial or non commercial. No team rosters shall include any address or electronic communication information.
- 28.3.** Should a ski area require more than the applicant's name, gender and age on their individual indemnity release-forms, it is the parent's responsibility as to what further information they provide.
- 28.4.** Any solicitations made to coaches or parent representatives for student information that may fall within the "Educational Records" description are to be referred to the School District official in charge of students' records.
- 28.5.** All actions involving student information will adhere to the Oregon State Law ORS 336.184: Oregon Student Information Protection Act.
- 28.6.** The only exceptions is when the parent/guardian has given permission for the student's NAME ONLY to be released only for media communications, for example to identify a photo for the newspaper.

29. Religious observances in public high schools

- 29.1.** The inclusion of non-public high schools in the program requires the non-public schools to align with public school practices. Regarding religious observances in public high schools; the general rule is that no non-public high school students (coach, parent, volunteer) can proselytize or lead any student or team prayers during a team activity. If you have any questions on this take them to your school administration so that you are fully aware of what is mandated by the state and acceptable to them.

30. Incident Reports

- 30.1. Accidents/Incidents** at an OISRA sanctioned event will be reported immediately to an OISRA certified coach or race official. The certified coach or official will immediately inform the Technical Delegate of the event.
- 30.2. An Incident Report** must be filled out where any of the following occurs:
 - 30.2.1. A parent/guardian is contacted
 - 30.2.2. Dizziness, nausea or a bump involved
 - 30.2.3. Extensive bleeding is exhibited
 - 30.2.4. Incident involves a student with an identified disabling condition.
 - 30.2.5. Medical consultation is sought.
 - 30.2.6. An injured team member; racer, coach, volunteer, or member of the public is attended by ski patrol or moved to the ski patrol emergency rooms, or other medical facility.
 - 30.2.7. Legal action is threatened by any of the parties involved.
- 30.3. Certified Coaches' responsibility:** Training or race incidents involving injury shall be reported to the OISRA as per the OISRA Incident/Injury report. Additionally, certified coaches must abide by the regulations in OAR 581-022-0421, regarding concussion awareness and determine when a student may return to training or racing after the diagnosis of a concussion.
- 30.4. Leagues' responsibility:** All race accidents involving injury, either personal or property shall be reported to the OISRA as per the OISRA Incident/Injury report. Any incident involving a member of the general public that happens in or about the race arena and may be considered to be a liability risk, must be reported by the event Technical Delegate and confirmed by the League Representative. If a ski area, or state forest requires a report from a league official it is the

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION POLICIES

responsibility of the League Representative to ensure that this report is copied to the OISRA. (Fax: 1-541-225-5742 or Executivedirector@OISRA.org)

- 30.5. Discretion** to fill out a report may be used when a child asks for first aid for minor injuries, requiring a band-aid or ice pack and TLC.
- 30.6. ALL incidents**, whether reported or not, should be logged in a team's incident log with date, name of student, injury and first aid rendered. If there is some question whether an incident report is needed, please complete a report form.
- 30.7. Reports** will be submitted within **72 hours** to the OISRA Executive Director using the OISRA designated Incident Report form and emailed to; Executivedirector@OISRA.org or by using the preferred method of the OISRA Online Incident reporting. This report is for all accidents/incidents occurring at team practices or OISRA races. Reports will cover property damage as well as personal injury.

- 30.9. Records** from November through March will be maintained by the Board of Directors. An analysis of the data and trends will be made at least annually.

31. Ski area indemnities and waivers

- 31.1.** No official of the OISRA or of its affiliated member leagues and/or teams or coach or parent representative shall sign on behalf of another member of OISRA or its leagues any indemnity or waiver that would purport to remove the rights of any individual associated with the OISRA or its associated leagues and/or teams to seek redress through the courts.

32. Lightning Safety Guidelines (adapted from "NFHS Sports Rules Books")

- 32.1.** These guidelines are a default policy for coaches responsible for making decisions concerning suspending and restarting practices and/or skiing events based on the presence of lightning of thunder. If a school has different guidelines, follow the school guidelines. [Any alpine activities at a ski area will be suspended and restarted based on the ski areas' decision to suspend and restart lifts.]
- 32.2.** Assign one person to monitor local weather conditions before and during practices and/or events.
- 32.3.** Have an evacuation plan, identifying an appropriate nearby safe area.
- 32.4.** Develop criteria for suspension and resumption of outdoor activities:
- 32.4.1. When thunder is heard or a cloud-to-ground lightning bolt is seen, the leading edge of the thunderstorm is close enough to strike your location with lightning. Suspend play for 30 minutes and take shelter immediately.
 - 32.4.2. 30-minute rule. Once practice/event has been suspended, wait at least 30 minutes after the last thunder is heard or flash of lightning is witnessed prior to returning to activity.
 - 32.4.3. Any subsequent thunder or lightning after the beginning of the 30-minute count will reset the clock and another 30-minute count should begin.
- 32.5.** Inform student athletes of the lightning policy at the start of the season.

- 33. Air Quality Guidelines.** These OISRA guidelines have been copied from the OSAA guidelines, which were created in consultation with the Oregon Health Authority (OHA). The OISRA guidelines provide a default OISRA policy to those responsible for making decisions concerning the cancelation, suspension, and/or restarting of OISRA practices and activities based on poor air quality.

- 33.1. Designate Personnel:** Given the random behavior of wind and air currents, air quality may change quickly. A Head Coach or supervising certified coach will monitor the air quality prior to and during

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION POLICIES

outdoor activities. While typically due to wildfires, coaches need to also consider non-wildfire situations if the air quality is unhealthy.

33.2. Areas with Air Reporting Stations: The Air Quality Index (AQI) should be monitored throughout the day, and during an event, to have the best data possible to make informed decisions about conducting practices and activities. Head Coaches or supervising certified coaches shall review the AQI information for all regions throughout the state on either the Oregon Department of Environmental Quality (DEQ) website at <https://oraqi.deq.state.or.us/home/map>, the Oregon DEQ app "OregonAir", or on the Environmental Protection Agency (EPA) Air Now website at https://airnow.gov/index.cfm?action=airnow.local_state&stateid=38 to determine if action is necessary (see chart below). Head Coaches or supervising certified coaches shall regularly review the AQI throughout events to assess deteriorating conditions.

33.3. Areas Without Air Reporting Stations: Given the random behavior of factors related to the calculation of the AQI levels in different areas of the state (wind speed and direction) practices or events that are not near a reporting station should consult with local state and/or federal authorities to help determine the AQI level in your specific area. If air monitoring equipment is not available, Head Coaches or supervising certified coaches should utilize the 5-3-1 Visibility Index to determine air quality.

33.3.1. 5-3-1 Visibility Index: Making visual observations using the 5-3-1 Visibility Index is a simple way to estimate air quality and know what precautions to take. While this method can be useful, you should always use caution and avoid going outside if visibility is limited, especially if you are sensitive to smoke.

33.3.1.1. Determine the limit of your visual range by looking for distant targets or familiar landmarks such as mountains, mesas, hills, or buildings at known distances. The visual range is that point at which these targets are no longer visible. As a rule of thumb: If you can clearly see the outlines of individual trees on the horizon it is generally less than five miles away. It is highly recommended that Head Coaches and supervising certified coaches use pre-determined landmarks that were established on a clear day to determine their visual range.

33.3.1.2. Ideally, the viewing of any distant targets should be made with the sun behind you. Looking into the sun or at an angle increases the ability of sunlight to reflect off of the smoke, thus making the visibility estimate less reliable.

33.3.1.3. Be aware that conditions may change rapidly and always use the more conservative of multiple metrics (AQI, 5-3-1 Visibility Index, etc.).

33.4. Act: This chart will help determine the action needed based on the air quality in your area.

Air Quality Index (AQI)	5-3-1 Visibility Index	Required Actions for Outdoor Activities
51 - 100	5-15 Miles	Athletes with asthma should have rescue inhalers readily available and pretreat before exercise or as directed by their healthcare provider. All athletes with respiratory illness, asthma, lung or heart disease should monitor symptoms and reduce/cease activity if symptoms arise. Increase rest periods as needed.

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION POLICIES

101 - 150	3-5 Miles	Because they involve strenuous activity for prolonged periods of time, all outdoor activities (practice and competition) shall be canceled or moved to an area with a lower AQI. Move practices indoors, if available. Be aware that, depending on a venue's ventilation system, indoor air quality levels can approach outdoor levels.
151 - 200	1-3 Miles	Because they involve strenuous activity for prolonged periods of time, all outdoor activities (practice and competition) shall be canceled or moved to an area with a lower AQI. Move practices indoors, if available. Be aware that, depending on a venue's ventilation system, indoor air quality levels can approach outdoor levels.
>200	1 Mile	Because they involve strenuous activity for prolonged periods of time, all outdoor activities (practice and competition) shall be canceled or moved to an area with a lower AQI. Move practices indoors, if available. Be aware that, depending on a venue's ventilation system, indoor air quality levels can approach outdoor levels.

33.5. Additional Resources: Schools may also refer to OHA's fact sheet regarding School Outdoor Activities During Wildfire Events at <https://apps.state.or.us/Forms/Served/le8815h.pdf>. NOTE: While OHA's guidelines do allow for light outdoor activities in the orange level, the intensity and duration of high school practices/competitions are not considered light activity.

34. Competing in events that are not sanctioned by OISRA

- 34.1.** The OISRA does not prohibit students who are registered with OISRA from participating in events that are not sanctioned by OISRA:
- 34.1.1. When an OISRA team competes in an event that is not sanctioned by OISRA, that team cannot represent itself as an OISRA team.
 - 34.1.2. When a student who is registered with OISRA competes in an event that is not sanctioned by OISRA, the student cannot represent himself/herself as an OISRA skier.
 - 34.1.3. Students who are coached by OISRA member and associate member coaches CAN compete as members of OTHER ski clubs/organizations (USSA, USASA, for example) in events that are not sanctioned by the OISRA
 - 34.1.4. OISRA Nordic coaches, volunteers and students are not insured by OISRA for events that are not sanctioned by OISRA. OISRA does not insure any Alpine Division Activity, sanctioned or non-sanctioned.

35. Financial Policies

- 35.1. The OISRA** requires each Division and each League to have its own Assumed Business Name (DBA) using the OISRA Tax ID#. Only the OISRA bank account, the Division bank accounts, and the League bank accounts will use the OISRA Tax ID #. No other bank accounts (team, for example) may use the OISRA Tax ID#.

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION POLICIES

35.2. Exception: The only exception is that if a League is separately incorporated and has its own IRS 501(c)(3) status then it does not need to have an Assumed Business Name and shall not use the OISRA Tax ID#. Instead, it shall use its own name and its own Tax ID# on its bank accounts.

35.3. Submitting paperwork to the OISRA Treasurer:

35.3.1. Each division treasurer will submit to the OISRA treasurer the proper paperwork describing the division bank account activity so the state treasurer can file with the IRS each year.

35.3.2. Each League Representative will submit to the OISRA treasurer the proper paperwork describing the league bank account activity so the state treasurer can file with the IRS each year.

35.4. Approval of expenditures:

35.4.1. All expenditures from the state treasury must be approved by the OISRA President or the Board of Directors.

35.4.2. All expenditures from a Division bank account must be approved by a Division Director, Division Commissioner or the Division Steering Committee and must comply with the Board-approved budget and all OISRA policies.

35.4.3. All expenditures from a League bank account must be approved by the League representative and must comply with the League-approved budget and all OISRA policies.

35.5. Check-signing authority:

36. Fundraising Policies

36.1. Purpose: The purpose of this policy to establish guidelines for soliciting charitable gifts in a concerted, effective, ethical, and professional manner.

36.2. Roles and Responsibilities

36.2.2. **Finance Committee.** The Board of Directors designates the Finance Committee to provide direct oversight of the management of funds and the development of policies related to the organization's financial health and sustainability, including gift acceptance policies. The Finance Committee is also designated by the Board to conduct initial review of proposed gifts and present its recommendation for acceptance or decline of gifts to the Board. The Finance Committee may invite additional Board members or staff who are not regular members to provide input as to the acceptance of gifts.

36.2.2.1. The Finance Committee Chair shall have a term of 2 years, and all other committee Members shall have terms of one year. The Board of Directors will reappoint committee members at the end of their terms.

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION POLICIES

actual fundraising activities such as events and donor meetings, and give input on policies that have an impact on the organization's relationships with donors.

36.2.3.1. The Fundraising Committee Chair shall have a term of 2 years, and all other committee Members shall have terms of one year. The Board of Directors will reappoint committee members at the end of their terms.

36.2.4. **Staff.** OISRA staff is responsible for implementing and administering organization's fundraising programs and policies. The staff also provides information to the board and committees to help them accomplish their roles.

36.3. Development of Fund Raising Plans. The Fundraising Committee shall collaborate with staff to set and implement annual, special and campaign plans and strategies to raise funds in support of the mission of OISRA and short and long term goals established by the Board. The committee shall present and report on those plans to the Board. Approval of the Board is required for new campaigns or other efforts that are beyond OISRA regular course of business. The following considerations and requirements should be addressed by fundraising plans.

36.3.1. Donors should be encouraged to make unrestricted gifts to allow OISRA flexibility in accomplishing its charitable mission and goals. When restrictions are necessary and desirable, donors will be asked to make the most flexible restrictions possible while still meeting their philanthropic goals.

36.3.2. Giving clubs, societies, and recognition levels appropriate for OISRA and solicitation plans may be established by the Board. Benefits and premiums may be offered for various giving levels if approved by the Board. Care must be taken to select premiums and benefits which preserve deductibility for donors, avoid Unrelated Business Taxable Income, also attract and help thank donors appropriately.

36.3.3. OISRA Partner Sponsorship Level

36.3.3.1. This level of sponsorship will be a 3-year agreement at \$5,000 per year

36.3.3.2. Benefits to the OISRA Partner sponsor will include, but not be limited to, banners at each league race and an OISRA website logo link.

36.4. Development of Solicitation Materials and Forms. OISRA will develop and use standard forms and documents for consistency and efficiency in fundraising efforts. Examples of appropriate forms include Pledge Forms, Gift Forms, Gift Agreements, and language used in thank you letters to document gifts over \$250 for tax purposes. All standard forms will be reviewed by legal counsel.

36.4.1. Case statements and solicitation materials must be carefully drafted to create a clear and enticing picture of what OISRA is trying to accomplish without providing so much detail that excessive restrictions are created.

36.5. Solicitation

36.5.1. Ethical Practices. Every aspect of solicitation of charitable gifts must be conducted with the utmost integrity and with the charitable purposes of the OISRA as the primary consideration. All board members staff and volunteers will be provided a copy of the Donor Bill of Rights (attached) and are required to conform to that document in all solicitation activities.

36.5.1.1. In addition, Staff and Board members must be careful not to place the organization or themselves in the position of serving as the legal, financial, or tax advisor to a current or prospective donor. The role of the OISRA representative is to inform and assist donors as they make their charitable giving decisions. All representatives of OISRA will exercise prudence and consider the donor's personal interests while helping to fulfill the donor's charitable objectives. All representatives of OISRA will encourage donors to seek their own professional advice on matters relating to the proposed gift transaction. OISRA personnel

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION POLICIES

will not knowingly be a party to inflating the value of a gift above the true fair market value in order to provide a tax advantage to the donor.

36.5.2. **Confidentiality.** Except as allowed by the donors, all agreements with donors and all information concerning donors and prospective donors will be held in strict confidence by OISRA subject to legally authorized and enforceable requests for information by government agencies and courts. 36.5.3. **Payment of Fees.** All gifts are presumed to be made for the ultimate benefit of OISRA and for the purpose of furthering organization's mission. In accordance with IRS regulations, donors are expected to pay any fees and expenses they incur related to their gifts. Examples of fees include required appraisals to determine the value of property, fees paid to financial advisors to determine the tax implications of a gift, or legal fees to the donor's attorney.

36.5.3.1. OISRA will pay for its own attorney's fees, although such expense may be deducted from the gift if disclosed to the donor before the gift is accepted.

36.5.3.2. Fees related to the sale of donated property or stock will be deducted from the gross receipts for the sale, unless other arrangements have been made with the donor. Final approval for the organization's payment of any other fees requires authorization by the Board of Directors. The following fees are prohibited:

36.5.3.2.1. Finders' fees for current or planned gifts.

36.5.3.2.2. Investment or administrative fees that in any way could be construed as compensation for a gift being made to OISRA or for its benefit.

36.5.4. **Disclosures.** The donor will be advised that it is the donor's responsibility to obtain any necessary appraisals, file appropriate tax returns, and defend against any challenges to claims for tax benefits. 36.5.8. **Grant Applications.** The Executive Director is authorized to apply for and accept grants which are consistent with the approved budget and programs of OISRA. Grant applications, agreements and other documents requiring signatures may only be signed by the Executive Director or other authorized signers.

36.6. Collection of Pledges. OISRA may, but is not required to, exercise any legal actions available to collect unpaid enforceable pledges. Generally, OISRA will contact donors who have not paid their pledges on the agreed upon schedule in a polite and friendly manner to ascertain whether the donor still wishes to make the contribution. Further action requires board approval. Reports may be made to the board of the pledges which appear not to be collectible to determine whether these pledges should be excused or whether further action should be taken.

36.7. Donor Recognition and Stewardship

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION POLICIES

36.7.1. Acknowledgement and Stewardship. All charitable gifts will be acknowledged and substantiated in accordance with IRS regulations. (see IRS publication 1771 or successor publications).

36.7.2. Naming Policy. The Board may approve opportunities for donors to give a minimum gift and therefore be recognized by having a particular program, physical space, fund or something similar named after them. The Board may approve naming opportunities individually or as a list of available opportunities with corresponding minimum gifts for each. Care should be taken to designate minimum amounts which maximize giving potential, but do not alienate past donors. Naming opportunities must be documented in a Gift Agreement. Unless the Gift Agreement provides otherwise, the term of any Naming Opportunity shall be for the lesser of 25 years or the life of the object, fund, or program named.

36.8. Donor Records. Donor records will be kept in an orderly and secure fashion which will allow for effective identification, cultivation, solicitation and stewardship of donors; trending data and other reports. In general, records will be kept in one [Access Database] [Excel Spreadsheet] [other program]. All record-keeping shall comply with the OISRA Document Retention and Destruction Policy.

37. Division General Meetings

37.1. Regular Division General Meetings

37.1.2. Notice of the time and place of the Fall or Spring Division General Meeting shall be given no later than Labor Day or April 1st.

37.1.3. This election process can also take place by ballot voting, without a Fall or Spring Division General Meeting. The deadline for ballot voting shall be 15 days after ballots are distributed.

If amendments to the Division policies will be considered, the notice must state this fact and either the exact wording or a summary of the amendments to be considered must be included with the notice.

37.5. Voting at Division General Meetings

38. Gender Identity Participation

- 38.1.** The OISRA endeavors to allow transgender students to participate for the athletic or activity program of their consistently-asserted gender identity while providing a fair and safe environment for all students. The OISRA also endeavors to provide fair competition and eliminate competitive advantages and disadvantages. in each sport and activity. As with Rule 8.2 regarding Duration of Eligibility / Graduation, Rules such as this one promote equality of competition; diminish risks stemming from unequal competition; promote harmony and fair competition among member schools OISRA teams by maintaining equality of eligibility; and increase the number of students who will have an opportunity to participate in interscholastic OISRA activities.
- 38.2.** This policy was developed by OSAA in consultation with the Oregon Department of Education (ODE). OISRA has made modifications to the OSAA policy that incorporate the different organizational structure of OISRA and OSAA. The OSAA and OISRA recognizes that this policy will need to be reviewed on a regular basis based on improved medical understanding of gender identity and expression, evolving law, and societal norms. The OSAA and OISRA recognize the value of activities and sports for all students and the potential for inclusion to reduce harassment, bullying and barriers faced by certain students. The OSAA and OISRA also recognize the concerns of students, parents, teachers and coaches to ensure a fair and equal competitive environment.
- 38.3.** Definitions. For the purposes of this policy, the following definitions apply:
 - 38.3.1. "Transgender" refers to an individual whose gender identity does not match his or her assigned birth gender.
 - 38.3.2. "Gender Identity" - A person's internal sense or being male, female, or some other gender, regardless of whether the individual's appearance, expression or behavior differs from that traditionally associated with the individual's sex assigned at birth. Gender identity is distinct from and often unrelated to an individual's sexual orientation.

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION POLICIES

- 38.3.3. "Transition" - The time when a person begins living as the gender with which they identify rather than the gender they were assigned at birth, which often includes changing one's first name and dressing and grooming differently. Transition may or may not also include medical and legal aspects, including taking hormones, having surgery, or changing identity documents (e.g. driver's license, Social Security record) to reflect one's gender identity.
- 38.3.4. "Intersex" - An umbrella term used for people born with reproductive or sexual anatomy and/or chromosome pattern that does not seem to fit the typical definition of male or female. Intersex may also be known as Difference of Sex Development and may not always be known at birth but may be revealed at any stage of a person's life.
- 38.3.5. "Sexual orientation" - Means a person's physical, romantic, emotional, aesthetic, or other form of attraction to others. Sexual orientation and gender identity are not the same. Although, the Oregon Legislature adopted a broader definition of "sexual orientation" for purposes of all Oregon statutes to "mean an individual's actual or perceived heterosexuality, homosexuality, bisexuality or gender identity, regardless of whether the individual's gender identity, appearance, expression or behavior differs from that traditionally associated with the individual's sex at birth.
- 38.3.6. "Nonbinary" (Also Non-Binary) - Preferred umbrella term for all genders other than female/male or woman/man. Not all nonbinary people identify as trans and not all trans people identify as nonbinary.
- 38.3.7. As used herein, "Gender-Specific" activities are those in which only one gender participates, e.g. volleyball and softball, and "Gender-Segregated" activities are those in which the same activity is offered for both female and male students, e.g. girls basketball and boys basketball.
- 38.4. Participation;** For both historical reasons, as well as reasons related to compliance with Title IX, interscholastic athletics and activities have typically been divided by gender, with a few exceptions. Formulating new processes to address concerns about participation regardless of a student's gender identity requires a new approach to eligibility, an approach reflected in these policies. In interpreting these policies, the OSAA and OISRA recognizes the value of activities and sports for all students and the potential for inclusion to reduce harassment, bullying and barriers faced by certain students.
- 38.4.1. If a student attends a school that sponsors an OISRA ski team, As is true with all eligibility determinations, the student's member school will be the first point of contact for determining the student's eligibility. When a student registers for athletics or activities an OISRA ski team, the student shall indicate the student's gender during that registration process, consistent with other school enrollment procedures. Athletics and activities personnel should refer to member school processes for registration/enrollment information. Disputes regarding these gender identity determinations will be resolved solely at the member school level; because of the diversity of privacy and public school rules that may bear on such determinations, and gender identity issues being particularly sensitive, the OISRA will accept any school's determination and will not hear any appeal of a member school's determination made under this section.
- 38.4.2. Subject to section 37.4.1, once a transgender student has notified the student's school of their gender identity, the student shall be consistently treated as that gender for purposes of eligibility for athletics and an OISRA ski team activities, provided that if the student has tried out or participated on an OISRA ski team activity, the student may not participate during that same season on an OISRA ski team of the other gender.
- 38.4.3. Subject to section 37.4.1, once a non-binary or intersex student has notified the student's school of their gender identity, the student shall be treated as either gender for purposes of eligibility for an OISRA ski team, which is a gender- segregated activity, provided that if the student has tried out or participated on an OISRA ski team or an activity that is gender-specific or gender-segregated, the student may not participate during that same season on an OISRA ski team of the other gender.

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION POLICIES

- 38.4.4. If a student attends a school that does not sponsor an OISRA ski team, the OISRA registrar will be the first point of contact for determining the student's eligibility. When a student registers for athletics or activities on an OISRA ski team the student shall indicate the student's gender during that registration process. The Head Coach should refer to the OISRA online registration process for registration/enrollment information. Disputes regarding these gender identity determinations will be resolved by consultation with and final decisions made by the OISRA Executive Director. Because gender identity issues are particularly sensitive, the OISRA will not hear any appeal of an Executive Director's determination made under this section.
- 38.4.5. Subject to section 37.4.4, once a transgender student has notified the OISRA registrar of their gender identity, the student shall be consistently treated as that gender for purposes of eligibility for an OISRA ski team provided that if the student has tried out or participated on an OISRA ski team, the student may not participate during that same season on an OISRA ski team of the other gender.
- 38.4.6. Subject to section 37.4.4, once a non-binary or intersex student has notified the OISRA registrar of their gender identity, the student shall be treated as either gender for purposes of eligibility for an OISRA ski team, which is a gender- segregated activity, provided that if the student has tried out or participated on an OISRA ski team the student may not participate during that same season on an OISRA ski team of the other gender.

OISRA Abuse/Molestation Guidelines

Purpose of Abuse/Molestation Guidelines

The Abuse/Molestation Awareness guidelines are not intended to serve as legal advice or to supplant legal definitions of abuse and harassment. Instead these guidelines are designed to raise awareness of areas of concern and to provide statements of “**Good Practice**,” which OISRA coaches are expected to follow.

Definition of a Child

For the purpose of these guidelines, a child is a student who is registered with OISRA.

Statement

- The welfare of the child is paramount.
- Children must be protected from harm, abuse, and degrading treatments.

Overview: These guidelines are intended to raise awareness and

- Define Good Practice.
- Provide examples of objectionable behavior and define areas of concern.

POSITIONS OF TRUST

Good Practice

- ***Be aware that the closeness of the coach/athlete relationship may encourage feelings that are not directly related to the sport.***
- ***Set out and maintain appropriate boundaries.***
- ***Give enthusiastic and constructive advice rather than criticism.***

Unacceptable Behavior

- NEVER enter into a sexual relationship with a child under your care/supervision.

Physical contact may be appropriate in other circumstances, as in congratulating a child or consoling a child who is upset. However, always ensure that physical contact is carried out in the open, or in the presence of another supervising adult.

Remember that interpretations of touching will be affected by factors such as cultural differences, religious implications, relative age, sexual orientation. If a child is uncomfortable with physical contact, stop.
