Redmond: TBD

Letters: Athletes at Ridgeview and Redmond are eligible for school letters (at least last year). RPA does not issue letters. Eligibility: Qualify for State Meet and score team points in at least 1 race.

Transportation: Students are not allowed to drive to on-snow practices or races off campus. They must be transported by an authorized adult. Parent drivers car-pool to Meissner and Mt Bachelor.

Equipment: Athletes will be expected to be responsible for the care and maintenance of their own equipment. Sunnyside Sports (purchased by Dec 2) and Webskis (until October 31, Team night is October 18 5-8PM) provide team discounts. The team has equipment that can be loaned for the season. Gear-fix, Gear Pedlar and the Skyliner Ski Swap (Oct 12) are also good places to look for used equipment. **Skiers are responsible for keeping their skis waxed and cleaned and stored with proper ski ties in a ski bag! Skiers are required to have a water bottle with them during all practices and sharing water is not ALLOWED-EVER!!!!!!**

Uniforms: Redmond, Ridgeview and RPA uniforms consist of jacket, tights, tops and hats. They belong to the team and will be issued for the season.

Illness: If you are sick or on antibiotics do not come to practice or a race! Nordic skiing is an extremely strenuous sport and skiing when sick will only delay your recovery and expose your team-mates to your pathogens!

Required Paperwork: Register as a student on OISRA.org by first practice (Nov 7).

Check to Redmond Community Club (\$150 or \$90 if have season pass) by Equipment Checkout (Nov 2)
